A night sky with the Milky Way galaxy visible, stretching across the upper half of the frame. Below the sky, a range of dark mountains is silhouetted against a twilight sky. A layer of mist or fog fills the valleys between the mountains. The overall color palette is dominated by deep blues, purples, and pinks from the galaxy and twilight, with dark silhouettes of the mountains.

**And He Himself is the propitiation for our sins,  
and not for ours only but also for the whole world.**

A vibrant tropical beach scene. In the foreground, a sandy beach curves along the left side, with gentle waves of white foam washing onto it. The water is a brilliant turquoise color, transitioning to a deeper blue further out. Large, dark brown rocks are scattered along the shoreline and in the water. On the left, a dense wall of lush green tropical vegetation, including several tall palm trees, frames the scene. In the distance, a small, rocky island with a few trees sits on the horizon under a bright blue sky with scattered white clouds.

# GOD'S ANNUAL HOLY DAYS

The seven annual Holy Days or “appointed feasts” depict God’s plan of salvation for mankind. They are ordained by God and were kept by the ancient Israelites according to the times and seasons He created. In this calendar, the beginning of each Biblical month has been noted. Days are counted from "evening to evening" (Genesis 1:5, Leviticus 23:32). The Holy Days were observed by the early New Testament believers and are still kept by Christians today.
