THINGS TO DO

DINING: Grand Rivers has a variety of dining experiences from pizza and burgers, to steaks and seafood. The cafes, grills, and restaurants range from lake-side ining to local historical memorabilia.

FISHING: Great fishing can be found almost anywhere on these lakes, but some of the best spots are found right around the resorts and lodges that fill the region. A Kentucky fishing license is required.

GOLF: Whether you're looking to take in a quick nine holes, or you're wanting to play an 18-hole golf course, Kentucky Lake and Lake Barkley offer a number of options for golfers.

NATURE: Grand Rivers is the Northern entrance to the Land Between The Lakes. If you're looking for trails, we have them – hiking, biking, horseback riding, ATV, and water trails. With over 210,000 acres of water, Kentucky Lake and Lake Barkley provide plenty of room for fishing, boating, and outdoor recreation.
